

BECOME A CERTIFIED AUTISM SPECIALIST

CERTIFIED AUTISM SPECIALIST

YOUR NAME HERE

CAS55577

EXP 2018-01-01

Why should you have a Certified Autism Specialist on staff?

- Reduces the chance of litigation
- Demonstrates a commitment to autism to parents and clients
- Improves grant qualifications
- Assists in demonstrating compliance with special education law

Why should you be certified?

- Recognizes individuals who voluntarily meet rigorous professional standards in ongoing professional development
- Enhances your professional reputation and credibility
- Increases your opportunity for career advancement and increased earnings
- Listing on the online public registry of autism professionals

Who Is Certification For?

Professionals that typically apply for the CAS or AC include:

- SPED Directors & Teachers
- School Psychologists
- BCBA Professionals
- ABA Professionals
- Psychologists
- Speech Language Pathologists
- Licensed Therapists & Clinicians
- Behavioral Specialists
- Classroom Teachers
- Principals
- School Nurses

"I pursued the Certified Autism Specialist Credential as confirmation that I have received extensive training in the field of Autism, including exposure to current best practices and researched based methodology. As a result of the overwhelming feedback we have received from parents and district administrators, a large number of my staff has been awarded or is currently pursuing their CAS Credential."

Karen Ann Gill, MS, CAS

Director of Education, Markland Day School | Bloomingdale, IL
